**Putting the
Pieces Together**

FRIDAY, OCTOBER 27, 2023

**CHENAL COUNTRY CLUB
LITTLE ROCK, ARKANSAS**

 **Baptist
Health**

 **Baptist Health**

Baptist Health Medical Center-Little Rock, in conjunction with the Baptist Health Neuroscience Center, invites you to participate in the **1st Annual Baptist Health Neuroscience Symposium on Friday, October 27, 2023.**

The Symposium will be offered as a HYBRID event: both onsite and virtual. For those attending onsite, this event will take place at the Chenal Country Club in Little Rock, Arkansas.

For continuing education information, go to our website bit.ly/bhneurosciencesymposium to learn more

GOAL

The goal of the symposium is to provide educational opportunities for nurses, EMTs, physicians, advanced practice providers, and other supporting healthcare professionals on the prevention, diagnosis and management of neuroscience patients. This event is open to all healthcare professionals.

FEE

The \$40 registration fee includes lunch. Payment of class fees is non-refundable. An agenda will be made available soon.
